

StockTrak.com Site License Order Form

The StockTrak.com Site License is intended for universities that have a trading room or have a large number of students enrolled as business majors. The StockTrak.com trading platform allows students to manage a virtual portfolio of stocks, options, futures, future options, bonds, and mutual funds from the world's most popular exchanges.

The StockTrak.com trading platform is web-based and allows professors to quickly create and configure their trading contests, set their desired trading parameters, security types, and exchanges. Then once their students are registered, they can monitor the performance of their students.
